LOS ANGELES

Day in day out Up at 34M With the searchlights shining down Day in day out its the binding light Underneath the dirt downtown

Listen to the sound as they bomb the sixth street bridge Listen to the sound of the voices south of Fifth

Chorous

Los Angeles when will you save me? Los Angeles when will you save me? Los Angeles when will you save me? Los Angeles I'm never coming home Come down
I/w been awake for days
Knocked out
By the sound of falling rain
Come down yeah, we'll watch the sun
just burn away the sky
Watch the dity lights die out up on
Mulholland Drive

Chanus

Wake me when this war is over Meet me where the skyline ends (x3)

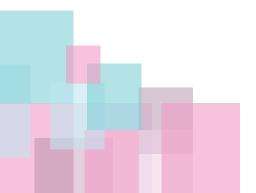

Los Angeles when will you save me? Los Angeles when will you save me? Los Angeles when will you save me? Los Angeles I'm never coming home I'm never coming home[x4]
